

Two releases. Neither names a room.

Amazon picked Austin for a plant that builds the robots. Neither release names a vote or a hearing or an acting public body.

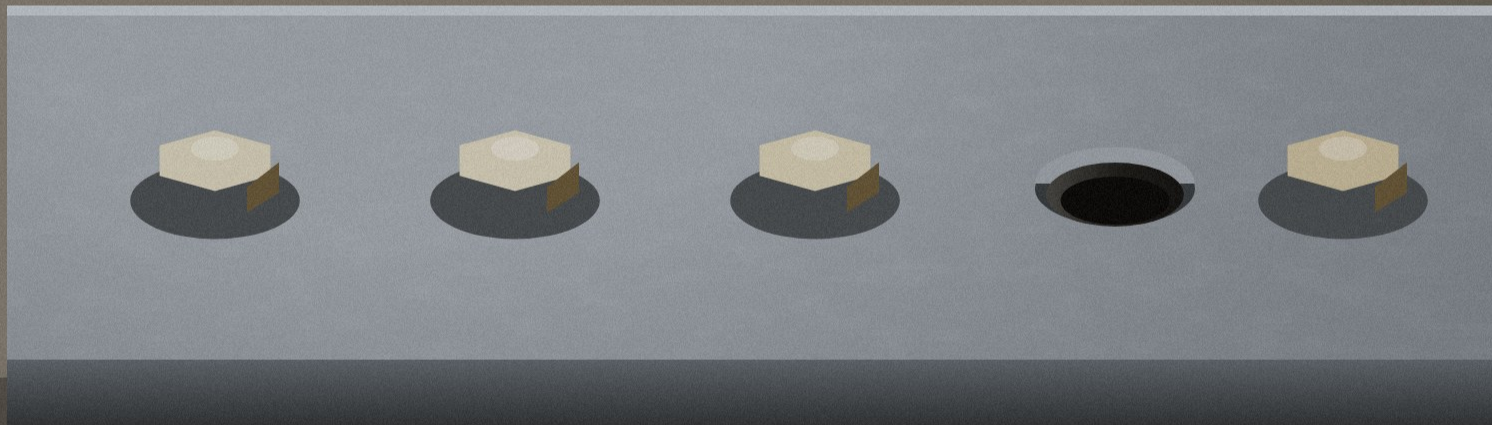

August 19th. Austin.

The Governor's office dated its announcement that day. The company's own release carries the same siting.

c7

c10

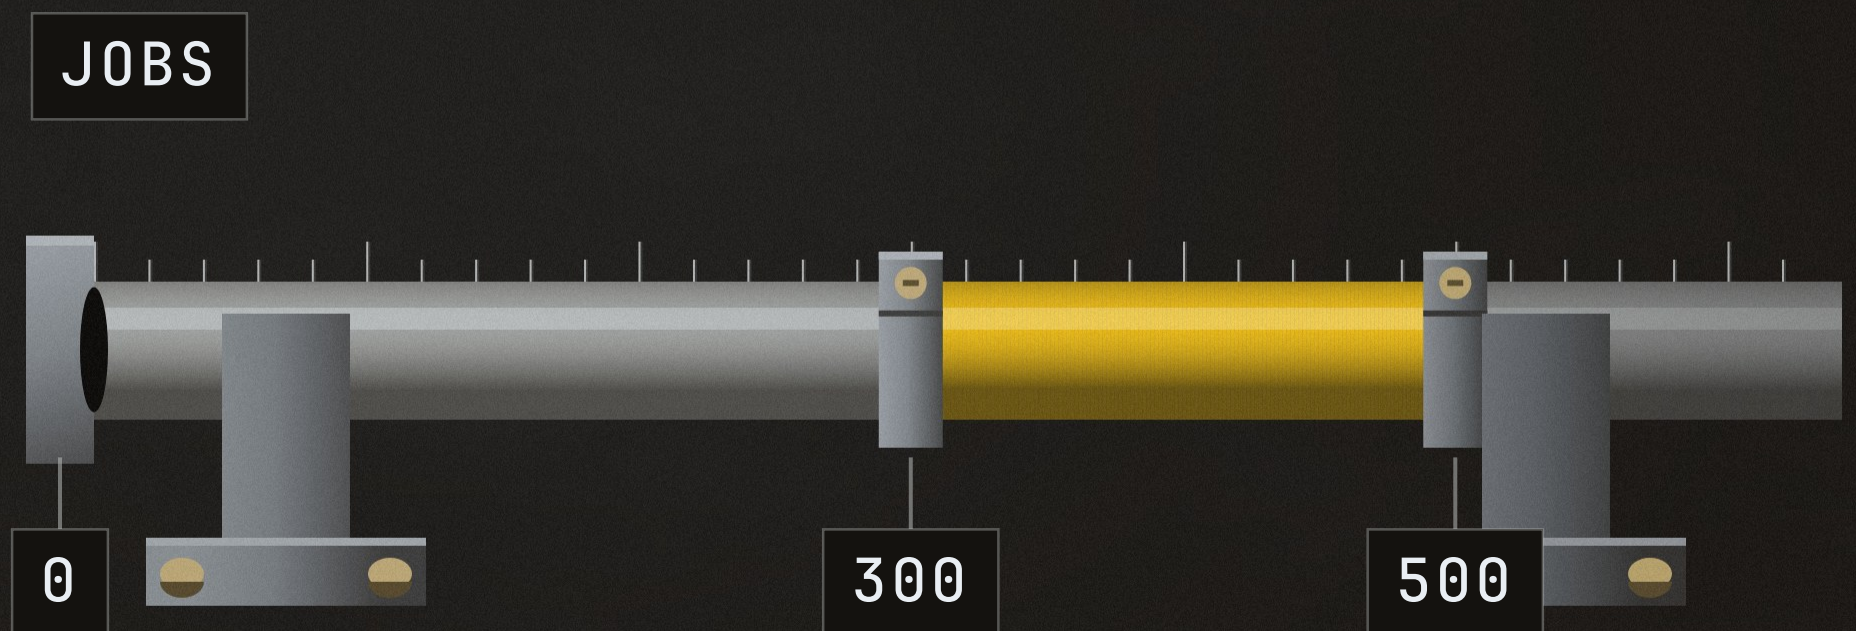

c1

300 to 500 jobs

Both announcements state the same range.
Neither release states a headcount inside it.

c3 c8

Thirteen items. Twelve counties.

A Texas city or county is the decider on all thirteen. Each record names a data center or a large load beside a tax break, a moratorium or an incentive.

SET READ FROM THE RECORD ON

tx-2026-0088	Brazos

Amazon asked for no economic incentives, no public money

Austin's mayor, quoted inside the company's own
announcement.

c6 AUSTIN'S MAYOR

No local body. No room.

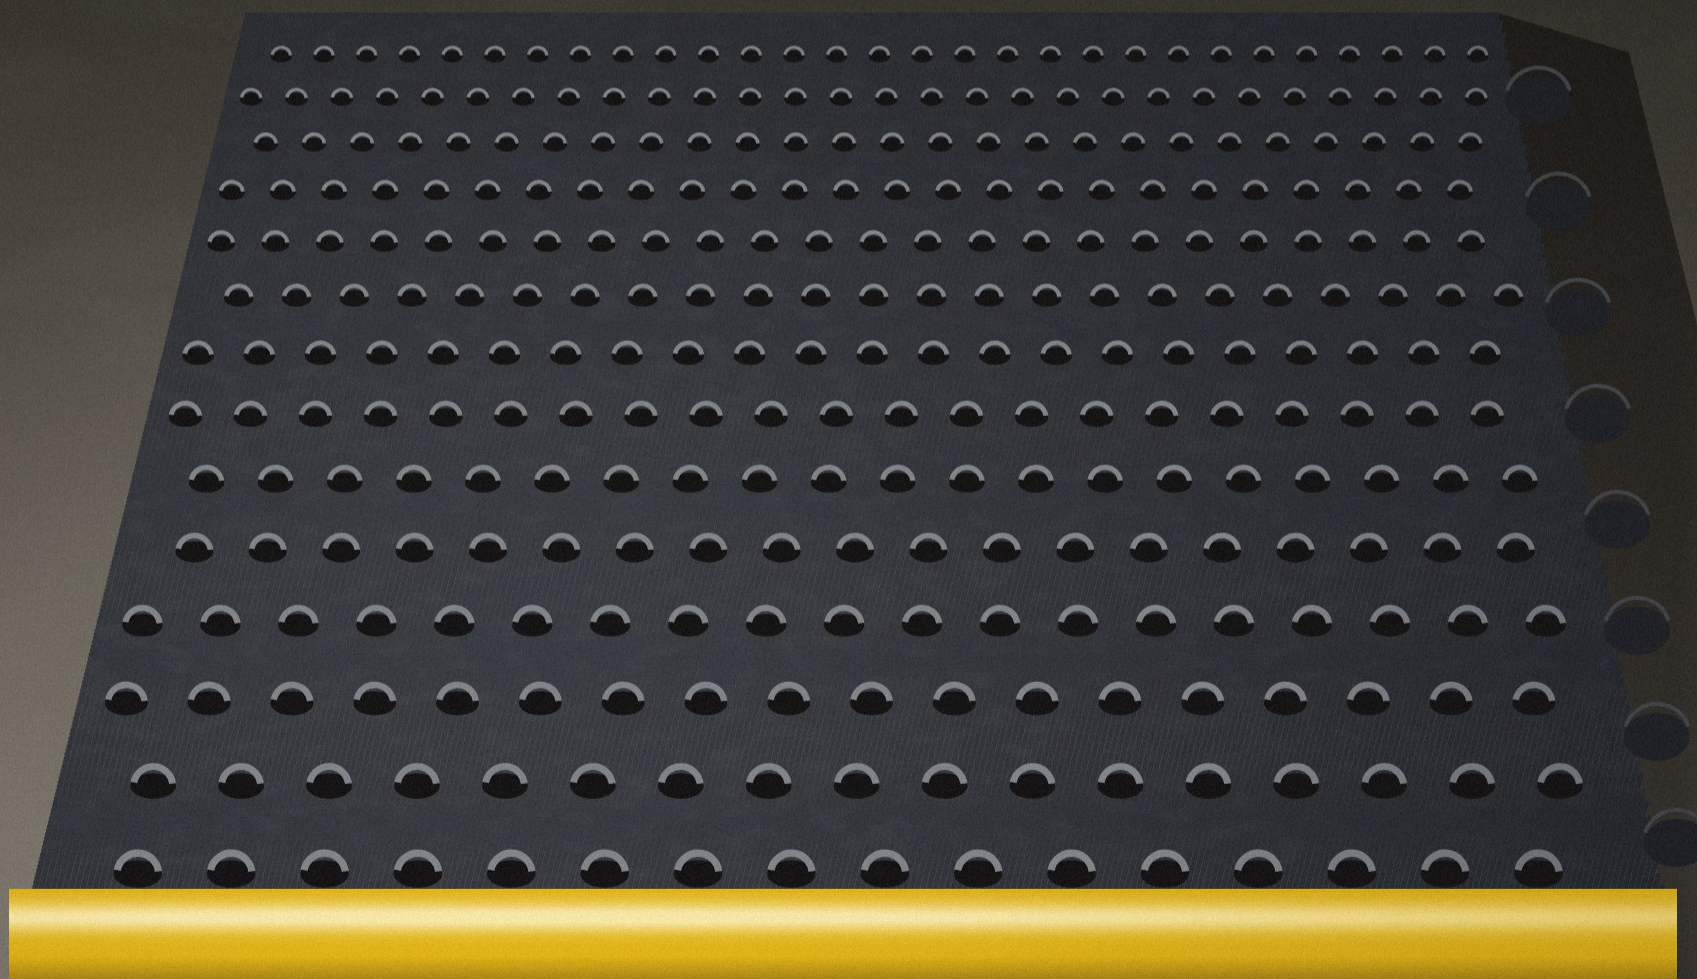

Thirteen items on the record put a Texas city or county in front of the decision. Neither release names one here.

SET READ FROM THE RECORD ON AUGUST 27TH

Repetitive tasks and heavy lifting

The company's own words for what these machines do beside its employees.

c 2

Four things neither release states.

Not withheld. Not stated.

THIS PLANT'S CAPITAL FIGURE NOT STATED IN EITHER RELEASE	
SITE ADDRESS NOT STATED IN EITHER RELEASE	
START OR OPENING DATE NOT STATED IN EITHER RELEASE
