

LEAGUE CITY, TEXAS

As a nonbinding statement of voter preference

**This ballot
decides nothing.**

The first seven words say so before the question
asks anything.

Read the first seven words.

[As a nonbinding statement of voter preference, should the League City Police Department continue using automated license plate reader cameras at fixed locations on public roadways for law enforcement purposes?

The rest of the sentence is a real question. The opening is not.

the clause and the question are one printed sentence. the council called it on August 11th, 2026

PFLUGERVILLE, TEXAS

The same day, a heavier instrument.

SECTION 2.03

Artificial Intelligence Protections

City Council shall adopt protections governing the collection, use, retention, and oversight of data, facial recognition, and surveillance technologies ... require a responsible AI (artificial intelligence) framework

A charter section outlives the council that writes it.

the commission recommends it. the council ordered
a November 3rd election on charter amendments.

THE TABLE TILTS ONCE

One of these has a side.

a ballot line

a charter section

Both cities vote on November 3rd, 2026.

THE TURN

The heavier one is the vaguer one.

THE RECOMMENDED SECTION NAMES A CATEGORY

**data, facial recognition, and surveillance
technologies**

THE BALLOT NAMES A DEVICE

**automated license plate reader cameras at
fixed locations on public roadways**

Durability trades against specificity, and each document
names its own subject.

THE SIZE OF THE GAP

Three things this record can't confirm.

a first in Texas,

Nick Long

Lago Vista's
vote, reported,
no city record

four cameras left
there, reported

Named here rather than left out, because the size of the gap is part of the record.
