

Approved. The question underneath is still open.

Two AI data center complexes will sit behind one wind farm's own meter in Armstrong County.

GOODNIT1 265.5 MW

A 260 MW load behind one interconnection.

"the Crusoe One and Crusoe Two loads will be co-located with GOODNIT1 and interconnected at the GOODNIT1 point of interconnection"

The condition is the whole load.

"Crusoe and Ensign must ensure that the Crusoe Two Load fully curtails its consumption in the manner directed by ERCOT"

PUCT DOCKET 59220, ORDER, ORDERING PARAGRAPH 1 c8

ERCOT, the grid operator the order names

Thirty minutes, or ten if they say so.

When practicable

60 minutes

ERCOT NOTICE

30 minutes

THE REQUIREMENT

10 minutes

BY WRITTEN CONFIRMATION

"Crusoe or Ensign may reduce the required time period from 30 minutes to 10 minutes by providing written confirmation to ERCOT of the Crusoe Two Load's capability to curtail within 10 minutes."

c9 c10

Alike is not the same.

265.5 MW GOODNIT1's own rating

265 MW the first data center

260 MW the second data center

ALL THREE FROM THE COMMISSION'S OWN FINDINGS

"Goodnight owns and operates GOODNIT1, a stand-alone 265.5-MW wind generation resource in Armstrong County."

The applicants did the arithmetic.

THE APPLICANTS' FIGURE, AS THE ORDER RECORDS IT

"it would result in a total curtailment of 525.5 MW"

**Decided above. Decided
below. Not between.**

"Nor did the Order directly address the critical legal and policy issue of first impression that underlies this case"

"the Order is excessive, arbitrary and capricious, unsupported by the evidentiary record, and not authorized by the language of PURA."

What the order left out.

"GOODNIT2 does not yet exist, is not a part of the application, and should not be considered in this proceeding."

commission staff and ERCOT, answering as parties c13

"The Commission denies all other motions and any other requests for general or specific relief, if not expressly granted."
