AUGUST 25TH, 2026

The Texas Senate Committee on Transportation meets in a public hearing.

Hearing room E1.016

The committee is told to quantify.

Autonomous vehicle deployment under SB 2807

Rail grade crossings

Commercial driver licensing

The charge names three agencies whose rule making is in scope. The Department of Transportation keeps the state's crash records and is not one of them.

The Legislature posts the meeting on capitol.texas.gov under Committees, Meetings Upcoming.
